About The Marjaree Mason Center

In November 1978, Marjaree Mason was kidnapped, raped and murdered by her ex-boyfriend, a Fresno Sheriff's deputy. The center was founded in 1979 after her death, and for over four decades the Marjaree Mason Center has offered a variety of services including: 24/7 helpline and crisis response, safety planning, risk assessment, food, clothing, shelter, case management, individual and group counseling, legal advocacy, children's services, education, and outreach. Marjaree Mason Center supports and empowers adults and their children affected by domestic violence, while striving to prevent and end the cycle of abuse through education and advocacy.

About The Top Ten Professional Women Awards Luncheon

The 42nd Annual Top Ten Professional Women Awards Luncheon is a prestigious awards ceremony with the goal of honoring outstanding individuals in our community while also raising awareness for domestic violence. This event pays tribute to ten women who have served as role models and given back to their communities, all while making strides in their professions.
