Report of Independent Auditors

The Board of Directors
Marjaree Mason Center, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Marjaree Mason Center, Inc. (the "Organization"), which comprise the statement of financial position as of September 30, 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position Marjaree Mason Center, Inc. as of September 30, 2022, and the changes in its net assets and its cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* (Government Auditing Standards), issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion
 is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Summarized Comparative Information

We have previously audited the Organization's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 28, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Information

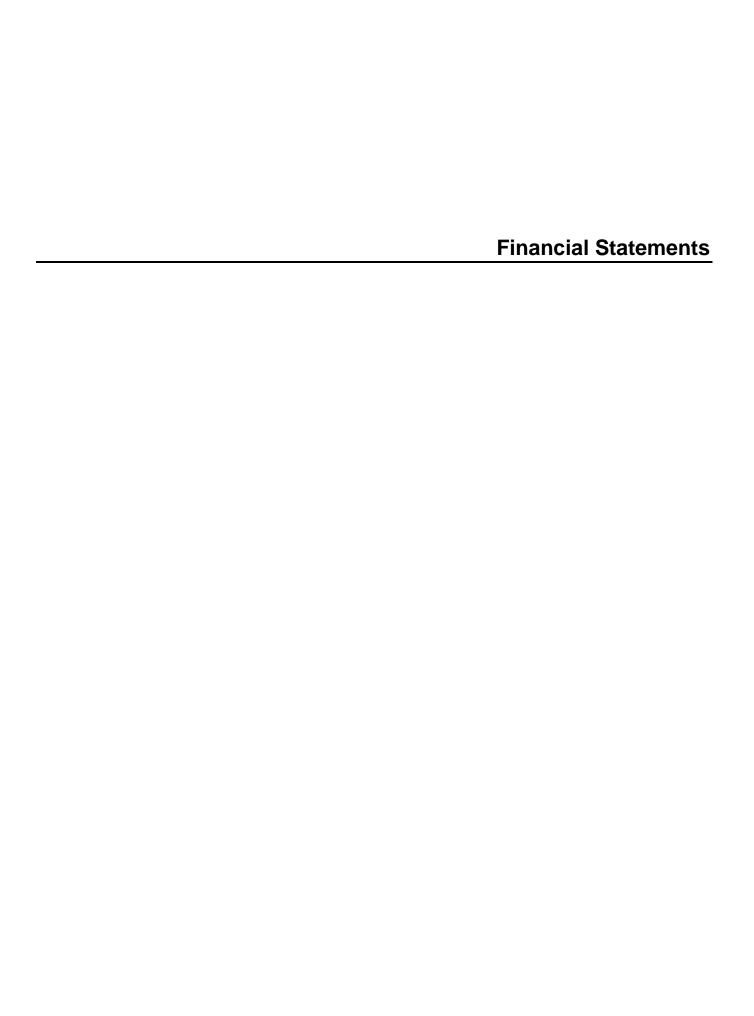

Management is responsible for the other information included in the report. The other information comprises the combining schedule of revenue, support and expenses but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 16, 2023 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of activities – Marjaree Mason Center, Inc. (the "Organization"), a California nonprofit corporation, operates shelters for victims of domestic violence and their children, and provides counseling, education, and other related services in Fresno County and surrounding areas. The Organization receives funding for its programs and operations from a variety of governmental and community sources, including, but not limited to, the City of Fresno, the County of Fresno, U.S. Department of Housing & Urban Development, and the California Office of Emergency Services.

Method of accounting – The Organization uses the accrual basis method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Recently implemented pronouncement – On October 1, 2021, the Organization adopted Accounting Standards Update ("ASU") 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets.* This standard is intended to improve U.S. GAAP by increasing the transparency of contributed nonfinancial assets for not-for-profit ("NFP") entities through enhancements to presentation and disclosure. The amendments in this update address certain stakeholders' concerns about the lack of transparency about the measurement of contributed nonfinancial assets recognized by NFP's, as well as the amount of those contributions used in an NFP's programs and other activities. The standard is effective for annual periods beginning after June 15, 2021, and as such, the Organization adopted the new standard effective October 1, 2021, under a retrospective basis. The adoption of this standard did not have a significant impact on the Organization's financial position, activities and change in assets, or cash flows. No changes were recorded to previously reported transactions as a result of the adoption.

Revenue recognition – Contributions, legacies and bequests, and unconditional grants are recognized as support and revenues when they are received or unconditionally pledged. These contributions are shown as restricted support and revenues if they are subject to time or donor restrictions. Net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities and changes in net assets as net assets released from restrictions when a stipulated time restriction ends, purpose restriction is accomplished, or both; however, contributions and grants with donor restrictions are reported as support and revenues without donor restrictions if the restriction is met in the same year that the gift is received.

Conditional contributions are not recorded as support and revenues until the conditions are met. Payments classified as exchange transactions (reciprocal transfers between two entities in which goods and services of equal value is exchanged) are not recorded as other support and revenue until allowable expenditures are incurred.

Special events revenue is recognized at a point in time when the event takes place. Amounts collected in advance of the event are deferred until the event is conducted.

Marjaree Mason Center, Inc. Notes to Financial Statements

Program fees revenue is recognized at a point in time when the service takes place and consists of amounts collected for education and training program services provided to program participants.

Grant arrangements have been evaluated and determined to be nonreciprocal, meaning the granting entity has not received a direct benefit in exchange for the resources provided. Instead, revenue is recognized as a conditional contribution—when the barrier to entitlement is overcome. The barrier to entitlement is considered overcome when expenditures associated with the grant are determined to be allowable and all other significant conditions of the grant are met. The largest of these grants supports the Organization's emergency services and rehousing services programs to operate their shelters for victims of domestic violence and their children, and to provide counseling and educational services.

Conditional grant revenue recognition – In accordance with Accounting Standards Codification ("ASC") 958-605, *Not-for-Profit Entities—Revenue Recognition* ("ASC 958-605"), for conditional grants, the Organization accounts for these grants initially as refundable advances until the conditions of the grant are substantially met.

Classification of net assets – Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions as follows:

Without donor restriction – Net assets not subject to use or time restrictions. A portion of these net assets may be designated by the Board of Directors for specific purposes. At September 30, 2022 and 2021, there were no board-designated net assets.

With donor restriction – Defined as that portion of net assets that consist of a restriction on the specific use or the occurrence of a certain future event. Net assets with donor restriction represent amounts collected by the Organization to be spent on specific purposes or activities. Restrictions on net assets are usually met within a year of receiving the amount restricted.

Cash and cash equivalents – For purposes of reporting the statements of cash flows, the Organization considers cash accounts, money market accounts, and certificates of deposits with original maturities of three months or less to be cash equivalents. Accounts at each financial institution are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. At September 30, 2022 and 2021, the Organization had approximately \$1,943,000 and \$2,785,000 uninsured cash balances, respectively. The Organization has not experienced any losses on those deposits and believes it is not exposed to any significant credit risk.

Investments in marketable securities – Investments in marketable securities consist primarily of publicly traded mutual funds and common stock and are recorded at fair value. These investments are covered by the Securities Investor Protection Corporation up to \$500,000 (including \$250,000 of cash). Investment income and unrealized gains and losses, net of investment expenses, are reported in the statement of activities and changes in net assets.

Marjaree Mason Center, Inc. Notes to Financial Statements

Grants receivable – The Organization utilizes the allowance of accounting for and reporting uncollectible or doubtful accounts. Management determines the allowance for doubtful accounts based on an analysis of specific customers, taking into consideration the age of the past due accounts and an assessment of the customer's ability to pay. At September 30, 2022 and 2021, management considered all grants receivable balances to be fully collectible and, therefore, no allowance for doubtful accounts has been recorded. Grants receivable are written off when deemed uncollectible. Recoveries of grants receivable previously written off are recorded as income when received.

The Organization grants credit to its customers, substantially all of which are government agencies (federal, state, and local) and generally requires no collateral from its customers.

Contributions and pledges receivable – Unconditional contributions, including pledges to give at estimated net realizable value, are recognized as revenue in the period received. The Organization reports conditional contributions as with donor restriction support if they are received with donor stipulations that limit the use of the donated assets. Pledges receivable at September 30, 2022 and 2021, amounted to \$184,952 and \$173,467, respectively.

Property and equipment – According to the Organization's policy, property and equipment acquisitions over \$2,500 are capitalized. Purchased property and equipment is capitalized at cost, donated property and equipment is recorded at fair value. The Organization does not imply restrictions on the use of contributed property and equipment received without donor stipulations. Expenditures that increase the life of the related assets are capitalized. Repairs and maintenance, including planned major maintenance activities, are charged to operations when incurred. Leasehold improvements are depreciated over the lesser of the remaining lease agreement or the estimated useful life.

Depreciation is computed using the straight-line method over the following estimated useful lives:

Buildings and land improvements 5–40 years Furnishings, equipment, and vehicles 5–10 years

Property and equipment purchased with federal funds is subject to various usage, maintenance, and disposition provisions of the Uniform Guidance, as well as any additional provisions established by the funding agency.

Deferred revenue – Deferred revenue represents special event revenues received by the Organization in advance of the event's occurrence and grant monies billed but not yet received or earned.

In-kind contributions – Contributions of noncash assets are utilized by the Organization in providing services and are recorded at their fair values in the period received. Contributions of noncash assets received for fundraising events (such as catering, entertainment, etc.) are not recorded in the accompanying financial statements. In addition, contributions of noncash assets to be sold at fundraising events by the Organization are recorded at the time of sale. Contributions of donated services that create or enhance nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

Marjaree Mason Center, Inc. Notes to Financial Statements

A number of unpaid volunteers have made significant contributions of their time to the Organization. However, the value of these services is not reflected in the accompanying financial statements because U.S. GAAP do not allow for the recognition of nonspecialized services. The values of professional services provided by trained volunteers are recorded in the accompanying financial statements (see Note 12).

Advertising costs – Advertising costs, except for costs associated with direct-response advertising, are charged to operations when incurred. The costs of direct-response advertising are capitalized and amortized over the period during which future benefits are expected to be received. For the years ended September 30, 2022 and 2021, advertising costs expensed amounted to \$17,141 and \$12,489, respectively; no costs were capitalized.

Allocation of expenses – The costs of providing various programs and activities have been summarized on a functional basis in the statements of activities and changes in net assets and functional expenses. During the year, such costs are accumulated into separate groupings as either "direct" or "indirect." Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit, such as square footage, hours worked, and employee headcount. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Fundraising expenses – Costs of acquiring or applying for a contract or grant are categorized as indirect expenses and not separately stated as fundraising expenses. Fundraising expenses are expensed as incurred. Revenue from fundraising events is recognized in the period in which the event takes place.

Income taxes – The Organization is a tax-exempt corporation under Section 501(c)(3) of the Internal Revenue Code and section 23701(d) of the State of California Corporate Code. The Organization is subject to taxation on any unrelated business income.

Uncertain tax positions – The Organization recognizes the effect of income tax provisions only if those positions are more likely than not of being sustained. The Organization does not believe its financial statements include any uncertain tax positions.

Summarized comparative information – The accompanying financial statements include certain prior-year comparative information in summarized form without net asset class detail or functional expense allocation detail. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Organization's financial statements for the prior year ended September 30, 2021, from which the summarized information was derived.

Marjaree Mason Center, Inc. Notes to Financial Statements

During the years ended September 30, 2022 and 2021, dividend income reinvested into mutual funds was approximately \$13,000 and \$17,000, respectively. During the years ended September 30, 2022 and 2021, net realized and unrealized (loss) and gain was \$(555,060) and \$183,742, respectively. During the years ended September 30, 2022 and 2021, proceeds from the sales of investments were \$585,829 and \$227,094, respectively.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Organization's investments are reported at fair value in the accompanying statements of financial position. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. The Organization uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Organization had no assets or liabilities measured using Level 2 or Level 3 inputs. The three levels of the fair value of hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Level 1 fair value measurements – The fair value of mutual funds and exchange traded finds are based on quoted prices in active markets for identical assets.

Investments held at net asset value – Beneficial interests in perpetual trusts are valued at the pro-rata ownership percentage of the net asset value ("NAV") of the private investment. The NAV is based on the underlying assets in the trust, which consist of common stocks and mutual funds. The use of NAV as fair value is deemed appropriate as the private investments do not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

Accounting standards allow for the use of a practical expedient for the estimations of the fair value of investment companies or private investments for which the investment does not have a readily determinable fair value. The practical expedient used by the Organization to value these investments is the NAV. In some instances, the NAV may not equal the fair value that would be calculated under fair value accounting standards.

The following table sets forth by level, within the fair value hierarchy, the Organization's assets measured at fair value on a recurring basis as of September 30, 2022:

	 F	air Valu	e Measuremen	ts		Inves	tments Held	
	Level 1		Level 2	Le	evel 3	;	at NAV	 Total
Mutual funds:		· ·				·

Total assets at fair value	\$ 1,660,013	\$		\$		\$	821,719	\$ 2,481,732

The Organization's policy is to recognize transfers into and out of Levels 2 and 3 inputs as of the date of the event or change in circumstances that caused the transfer. For the years ended September 30, 2022 and 2021, there were no significant transfers into or out of Level 2 or Level 3 inputs.

Marjaree Mason Center, Inc. Notes to Financial Statements

NOTE 4 – GRANTS RECEIVABLE

Grants receivable consisted of the following at September 30:

	 2022	 2021
California Office of Emergency Services County of Fresno	\$ 259,984 137,336	\$ 203,714 122,587
U.S. Department of Housing and Urban Development	129,623	513,142
FEMA	44,916	68,798
City of Fresno	38,237	64,209
Westcare Fresno Unified	18,019 8,345	30,722
Madera County	4,230	3,231
Saint Agnes Hospital	 	16,575
	\$ 640,690	\$ 1,022,978

NOTE 5 - PLEDGES RECEIVABLE

Pledges receivable consisted of the following at September 30:

	 2022	 2021
Pledges receivable in less than one year Pledges receivable in one to five years	\$ 159,952 25,000	\$ 123,467 50,000
	\$ 184,952	\$ 173,467

NOTE 6 – PROPERTY AND EQUIPMENT

Property and equipment consisted of the following at September 30:

	2022			2021		
Building and land improvements	\$	4,990,873	\$	4,928,826		
Leasehold improvements		94,546		94,546		
Equipment		93,946		65,258		
Buildings		660,387		660,387		
Furniture and fixtures		47,748		47,748		
Vehicles		247,470		210,480		
Land		29,064		29,064		
		6,164,034		6,036,309		
Less: accumulated depreciation		(3,581,624)		(3,280,328)		
	\$	2,582,410	\$	2,755,981		

The Organization incurred depreciation expense of \$301,296 and \$312,145 for the years ended September 30, 2022 and 2021, respectively.

NOTE 7 – BENEFICIAL INTEREST IN PERPETUAL TRUSTS

Beneficial interest in perpetual trusts consisted of the Organization's percentage interest in three separate perpetual trusts accounted for as split-interest agreements. The Organization values its interest in these trusts based on the fair value of each trust's underlying assets. Balances consisted of the following at September 30:

	2022			2021		
Burks' Trust (5% interest) Nine Trust (5% interest) Rea's Trust (10% interest)	\$	175,598 8,902 70,276	\$	207,186 11,484 603,049		
Less: allowance for beneficial interest in perpetual trusts		254,776 (70,276)		821,719 -		
	\$	184,500	\$	821,719		

During the years ended September 30, 2022 and 2021, the Organization's portion of unrealized (loss) and gain were \$(15,162) and \$54,522, respectively. During the year ended September 30, 2022, the Organization received a distribution from the Rea's Trust in the amount of \$551,781. No distributions were received during the year ended September 30, 2021. At September 30, 2022, beneficial interest in perpetual trusts was shown net of an allowance of \$70,276. No allowance was recorded at September 31, 2021.

NOTE 8 - REFUNDABLE ADVANCES

The Organization was awarded a grant from the Anthem Blue Cross Foundation, LLC in the amount of \$200,000 to help fund routine prenatal care, maternal health education, and wellness checks during pregnancy for victims of domestic violence as part of the Maternal Health Program. In accordance with ASC 958-605 for conditional grants, the Organization is accounting for this grant as a refundable advance until the conditions of the grant are substantially met. At September 30, 2022, \$- of the refundable advance was remaining, the Organization met the remaining requirements of the conditional grant.

The Organization was awarded a grant from the City of Fresno in the amount of \$500,000 for emergency shelter needs for domestic survivors related to the novel coronavirus ("COVID-19") pandemic. In accordance with ASC 958-605 for conditional grants, the Organization is accounting for this grant as a refundable advance until the conditions of the grant are substantially met. At September 30, 2021, \$327,888 of the refundable advance was remaining. The Organization met the remaining requirements of the conditional grant during the year ended September 30, 2022.

Marjaree Mason Center, Inc. Notes to Financial Statements

The Organization was awarded a grant from the State of California Emergency Housing and Assistance Program ("EHAP") for renovation of an emergency shelter in Fresno in the amount of \$1,000,000. In accordance with ASC 958-605 for conditional grants, the Organization accounted for this grant as a refundable advance until the conditions of the grant were substantially met. Repayment is deferred as long as the property was used as an emergency shelter or transitional housing for 7 years. If the condition is not met, the Organization must pay the amount back with a 3% rate of interest, per annum. Accrued interest totaled \$210,000 at September 30, 2021. As the Organization substantially met the conditions, the amount is reported as grant revenue in the amount of \$1,210,000 as of September 30, 2021.

NOTE 9 – OBLIGATIONS UNDER OPERATING LEASES

The Organization leases office equipment and property, which require certain minimum annual rental payments. The leases vary in terms and expire between December 2022 and March 2066. For the year ended September 30, 2022, total office equipment and property lease expenses were \$110,143 and \$153,576, respectively. For the year ended September 30, 2021, total office equipment and property lease expenses were \$50,571 and \$148,922, respectively.

The future annual minimum lease payments under long-term contractual obligations at September 30, 2022, are as follows:

Years Ending September 30,

2023 2024 2025 2026	\$	62,407 32,632 32,632 16,169
2027 Thereafter		100
	\$	147,840

NOTE 10 - NET ASSETS WITH DONOR RESTRICTION

Amounts received from various donors for specific purposes are net assets with donor restriction that have been spent for their specified purposes. Net assets with donor restriction consisted of the following at September 30:

	 2022	2021	
Bullard site Shelter, food, and supplies for clients and children Beneficial trusts Clovis shelter Programs and counseling Auto and facilities maintenance Education and outreach Reedley facility	\$ 1,178,296 493,801 184,500 137,457 114,151 6,905 4,360	\$	598,186 821,719 155,262 652,689 18,180 70,528 877
	\$ 2,119,470	\$	2,317,441

Net assets released from restriction during the years ended September 30, 2022 and 2021, totaled \$1,526,120 and \$803,638, respectively.

NOTE 11 – RETIREMENT PLAN

The Organization established a 401(k) Retirement Plan covering all active, full-time employees aged 21 or older. Matching contributions of \$46,939 and \$12,210 were made during the years ended September 30, 2022 and 2021, respectively.

NOTE 12 - IN-KIND DONATIONS

In-kind donations consisted of the following for the years ended September 30:

	2022			2021		
Trained volunteers	\$	57,951	\$	75,112		
Fresno, Clovis, and Reedley shelters		12,120		17,162		
Meathead Movers		31,000		31,000		
Donated meals		450		-		
	\$	101,521	\$	123,274		

The Organization's policy related to in-kind donations is to utilize the assets given to carry out the mission of the Organization. If an asset is provided that does not allow the Organization to utilize it in its normal course of business, the asset will be sold at its fair market value as determined by appraisal or specialist depending on the type of asset.

Marjaree Mason Center, Inc. Notes to Financial Statements

The Organization was provided professional clinical services at no cost to service the individuals in their shelters and other programs. Based on current market rates for these services, the Organization would have paid \$70,071 and \$92,274 for the years ended September 30, 2022 and 2021, respectively.

The Organization was provided discretionary moving services from Meathead Movers to support victims of domestic violence in Fresno County. Based on current market rates for these services, the Organization would have paid \$31,000 for each of the years ended September 30, 2022 and 2021.

All in-kind donations received by the Organization for the years ended September 30, 2022 and 2021, were considered without donor restrictions and able to be used by the Organization as determined by the board of directors and management.

NOTE 13 – CONTINGENCIES AND CONCENTRATIONS

Federal, state, and local grants – Amounts received from grant agencies are subject to audit and adjustment by grantor agencies, principally the state and federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the Organization. There are no pending audits or proposed adjustments currently.

Economic dependency – The Organization receives a majority of its funding through various programs and contracts with federal, state, local, and private agencies. Grants and contracts for the years ended September 30, 2022 and 2021, comprise approximately 76% and 62%, respectively, of total revenue without donor restriction.

The following is a summary of total grants and contracts received by granting and contracting agency for the year ended September 30, 2022:

Granting and Contracting Agency	 Amount	Percentage	
Department of Housing and Urban Development	\$ 1,625,075	30.02%	
California Office of Emergency Services	1,449,206	26.77%	
City of Fresno	959,955	17.73%	
County of Fresno	821,887	15.18%	
Other contracts	296,731	5.48%	
Federal Emergency Management Agency	94,916	1.75%	
Fresno Unified School District	85,345	1.58%	
Madera District	28,908	0.53%	
Westcare	27,062	0.50%	
Saint Agnes Hospital	 24,855	0.46%	
	\$ 5,413,940	100.00	

The following is a summary of total grants and contracts received by granting and contracting agency for the year ended September 30, 2021:

Granting and Contracting Agency	Amount		Percentage	
Department of Housing and Urban Development California Office of Emergency Services City of Fresno County of Fresno Other contracts Fresno Unified School District California Partnership to End Domestic Violence Federal Emergency Management Agency Saint Agnes Hospital County of Madera Westcare	\$	1,423,373 1,343,913 970,792 951,690 178,747 77,000 71,250 68,798 33,145 18,823 15,649	27.62% 26.08% 18.84% 18.47% 3.47% 1.49% 1.38% 0.64% 0.37% 0.30%	
	\$	5,153,180	100.00	

NOTE 14 – LIQUIDITY AND FUNDS AVAILABLE

Financial assets available to meet cash needs for general expenditures within one year as of September 30, 2022, are as follows:

Financial assets: Cash and cash equivalents Investments in marketable securities Grants receivable Other receivables Pledges receivable	\$ 2,579,744 2,882,821 640,690 4,763 184,952
Financial assets at September 30, 2022	6,292,970
Less those unavailable for general expenditure within one year, due to: Noncurrent portion of pledges receivable	 (25,000)
Financial assets available to meet cash needs for general expenditures within one year	\$ 6,267,970

The Organization's spending policy is to structure its financial assets to be available for operations, capital assets, and opportunities to enhance the Organization's mission. The Organization has certain donor-restricted net assets that are available for general expenditures within one year of September 30, 2022, because the restrictions on the net assets are expected to be met by conducting the normal activities of the programs in the coming year.

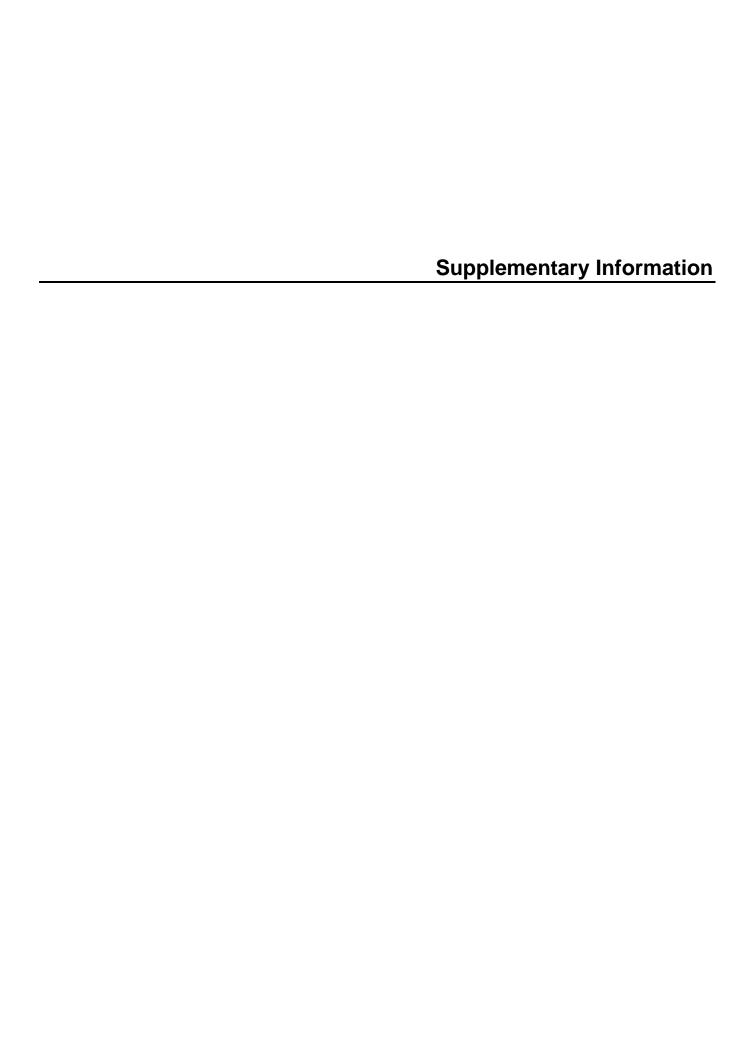

Marjaree Mason Center, Inc. Notes to Financial Statements

NOTE 15 - SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the statement of financial position date, but before financial statements are available to be issued. The Organization recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of financial position, including the estimates inherent in the process of preparing the financial statements. The Organization's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of financial position, but arose after the statement of financial position date and before financial statements are available to be issued.

The Organization has evaluated subsequent events through January 16, 2023, which is the date the financial statements were available to be issued, and determined the following event required disclosure:

On December 3, 2021, the Organization signed a purchase and sale agreement with an unrelated party to purchase a building to replace the Organization's current administration building and Fresno shelter. The total purchase price of the building is \$7,000,000. On December 6, 2021, escrow was opened, and due diligence was started. The purchase was delayed due to a City of Fresno zoning contract with limitations of the building purpose. The zoning contract was lifted during the summer 2022, which initiated the due diligence process again. On December 13, 2022, the Organization closed on the purchase. The Organization obtained a promissory note payable to an unrelated party in the amount of \$2,000,000, including interest at a rate of 4.10% per annum, with principal and accrued interest payable at maturity on December 13, 2023. The remaining balance on the purchase was made with \$2,700,000 of cash and \$2,300,000 of an in-kind donation.

Marjaree Mason Center, Inc. Schedule of Expenditures of Federal Awards Year Ended September 30, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation – The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of Marjaree Mason Center, Inc. (the "Organization"), under programs of the federal government for the year ended September 30, 2022. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

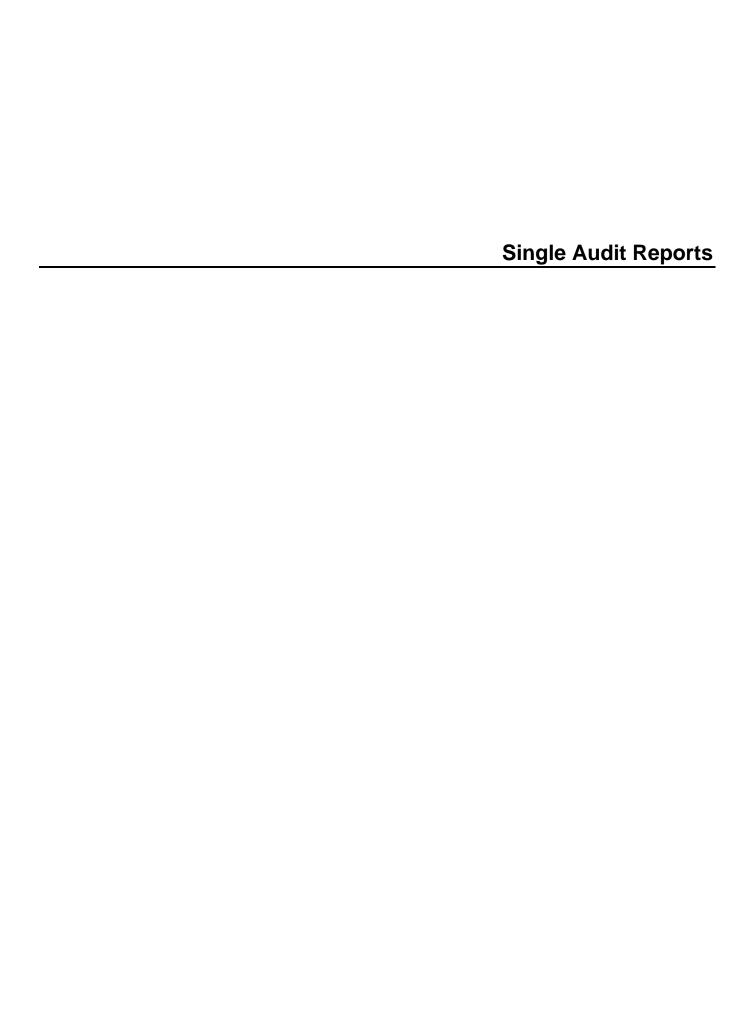

Relationship to financial reports – Information included in the accompanying Schedule is in substantial agreement with the information reported in the related financial reports for major programs.

Program costs – Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

Subrecipients – The Organization does not pass through funds to subrecipients.

NOTE 2 - INDIRECT COSTS

The Organization has elected to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance as described in 2 CFR 200.414.

Report of Independent Auditors on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

The Board of Directors Marjaree Mason Center, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Marjaree Mason Center, Inc., which comprise the statement of financial position for the year ended September 30, 2022, the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 16, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Marjaree Mason Center, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Marjaree Mason Center, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Marjaree Mason Center, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of Marjaree Mason Center, Inc.'s financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Marjaree Mason Center, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

loss Adams UP

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Marjaree Mason Center, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Marjaree Mason Center, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Fresno, California January 16, 2023

Report of Independent Auditors on Compliance for the Major Federal Program and Report on Internal Control over Compliance Required by the Uniform Guidance

The Board of Directors
Marjaree Mason Center, Inc.

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited Marjaree Mason Center, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on Marjaree Mason Center Inc.'s major federal program for the year ended September 30, 2022. Marjaree Mason Center, Inc.'s major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Marjaree Mason Center, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2022.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Marjaree Mason Center, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of Marjaree Mason Center, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Marjaree Mason Center, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Marjaree Mason Center, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Marjaree Mason Center, Inc.'s compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
 design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding Marjaree Mason Center, Inc.'s compliance with
 the compliance requirements referred to above and performing such other procedures as we
 considered necessary in the circumstances.
- Obtain an understanding of Marjaree Mason Center, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Marjaree Mason Center, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed one instance of noncompliance which is required to be reported in accordance with the Uniform Guidance and which is described in the accompanying schedule of findings and questioned costs as item 2022-001. Our opinion on the major federal program is not modified with respect to this matters.

Government Auditing Standards requires the auditor to perform limited procedures on Marjaree Mason Center, Inc.'s response to the noncompliance finding identified in our compliance audit described in the accompanying schedule of findings and questioned costs. Marjaree Mason Center, Inc.'s response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify a deficiency in internal control over compliance that we consider to be a significant deficiency.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2022-001, to be a significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on Marjaree Mason Center, Inc.'s response to the internal control over compliance finding identified in our compliance audit described in the accompanying schedule of findings and questioned costs. Marjaree Mason Center, Inc.'s response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Marjaree Mason Center, Inc. Schedule of Findings and Questioned Costs (Continued) Year Ended September 30, 2022

Section III – Federal Award Findings and Questioned Costs

Finding 2022-001: Department of Housing and Urban Development - Continuum of Care Program - Assistance Listing No. 14.267; Grant period: Year Ended December 31, 2022.

Criteria – In accordance with 2 CFR 200.320(a)(2)(i), participants are required to perform an appropriate form of competition in their procurement process if purchases are within the small purchase threshold.

Condition – Management did not perform an appropriate form of competition for a purchase made within the small purchase threshold.

Questioned costs – There are known questioned costs of \$36,990 representing the reimbursements claimed for the vendor during the audit period. No likely questioned costs are noted.

Context – Inspection of procurement documentation showed one out of two vendors subjected to sampling required an adequate number of price or rate quotations from qualified sources to be obtained and assessment to be performed in accordance with the small purchase threshold of 2 CFR 200.320(a)(2)(i). Price or rate quotations were obtained, but not formally documented and a formal assessment was not performed. Of the \$1,625,075 of total Continuum of Care reimbursements claimed during the year, \$96,702 of reimbursements are subject to this procurement requirement, including the known questioned costs of \$36,990.

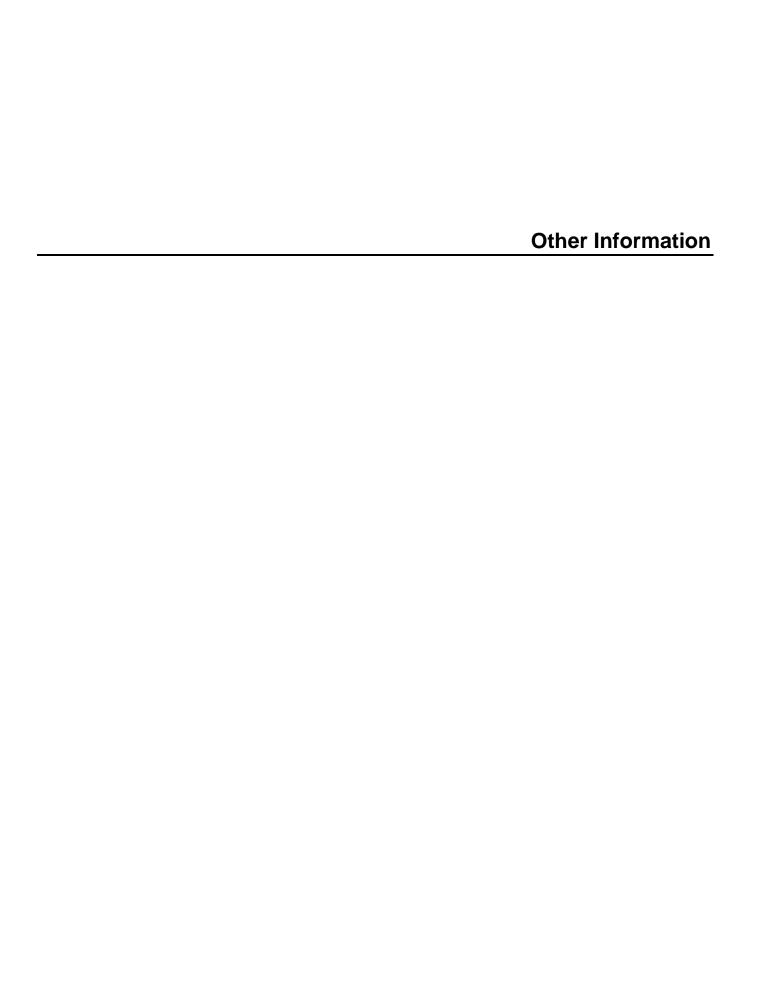

Effect – By not obtaining price or rate quotations from qualified sources, this could result in the utilization of an unqualified vendor, an overspending of grant funding, and questioned costs.

Cause – Management obtained rate quotations from an adequate number of vendors, but did not retain sufficient documentation and did not perform a formal assessment to proceed with the purchase.

Repeat finding - N/A

Recommendation – We recommend management implement a control to ensure sufficient documentation is retained during the procurement of all vendors being reimbursed by federal awards and ensure compliance with the Uniform Guidance and other applicable procurement standards.

Management's response – Management will ensure to retain sufficient documentation when obtaining quotes from similar vendors and performing a documented analysis of services and corresponding costs for the fiscal year 2022–23 and every year going forward.

To Whom It May Concern,

As required by the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), we have provided below our response and corrective action plan addressing the finding in the *Report of Independent Auditors on Compliance for the Major Federal Program and Report on Internal Control Over Compliance Required by the Uniform Guidance* for the year ended September 30, 2022.

Response and Corrective Action Plan

Finding 2022-001: Department of Housing and Urban Development - Continuum of Care Program - Assistance Listing No. 14.267; Grant period: Year Ended December 31, 2022.

Cause:

Management obtained rate quotations from an adequate number of vendors, but did not retain sufficient documentation and did not perform a formal assessment to proceed with the purchase.

Contact Person:

Marcus Martin, Director of Finance

Management Response:

The Marjaree Mason Center (MMC) did not correctly document the purchase of a new vehicle including having justification on the selection of the vendor. When researching the purchase of the vehicle, MMC researched different options for the vehicle, but did not keep the documentation of the research. Effective immediately, MMC has implemented new procedures when it comes to procedures for any contracts/invoices over \$10,000. The Manager submitting the request much attach at least three quotes and written justification approved by the Director of Finance and/or Executive Director before the contract is signed or payments are released.

Sincerely,

Mos May
