About The Marjaree Mason Center

In November 1978, Marjaree Mason was kidnapped, raped and murdered by her ex-boyfriend, a Fresno Sheriff's deputy. The center was founded in 1979 after her death, and for over four decades the Marjaree Mason Center has offered a variety of services including: shelter, legal advocacy, support groups, education, victim advocacy, and counseling. Marjaree Mason Center supports and empowers adults and their children affected by domestic violence, while striving to prevent and end the cycle of abuse through education and advocacy.

About The Top Ten Professional Women and Leading Business Awards

The 40th Annual Top Ten Professional Women and Leading Business Awards is a prestigious awards ceremony with the goal of honoring outstanding individuals in our community while also raising awareness for domestic violence. This event pays tribute to ten women who have served as role models and given back to their communities, all while making strides in their professions. One business is also honored as the Leading Business of the Year for its support of women and women's issues.

Meet our 2023 Keynote Speaker Leslie Morgan Steiner

Her TedTalk "Why Domestic Violence Victims Don't Leave" has over 10 million views. She brings a unique perspective to the conversation surrounding domestic violence and empowers audiences through her personal journey and professional expertise.
