

Marjaree Mason Center

RFP #06-16-2025

Children's Playground

Creative Direction

Overall Theme:

The design should reflect a nature/treehouse theme using earth tones with accent colors, while incorporating inclusive and Americans with Disability Act (ADA) compliant features.

Image

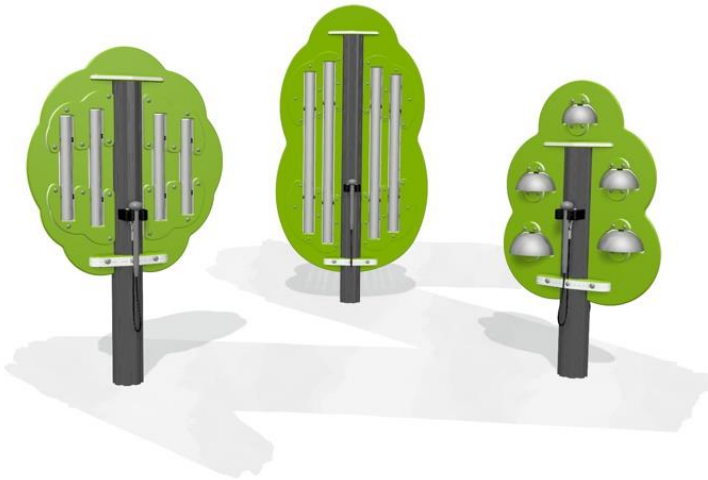

Reason for Inclusion

Color story and the use of earth elements, such as rock climbing and stepping logs.

Crawl tunnel that resembles a hollow tree and fits the natural theme.

Sensory music components

Sensory music components

Freestanding spring riders with animal/insect theme

Example of poured-in-place rubber surfacing with nature-tone patterns and an accent color. As well as log crawl tunnel.

Wobbly Bridge connects two zones and nature theme.

Wiggle Ladder

Padded four-post canopy
