Re: Notice of Intent to Award - Roof Replacement Project

Marjaree Mason Center ("MMC") solicited proposals for the Roof Replacement Project through a formal Request for Proposals (RFP) process. To promote fair competition and allow additional qualified contractors the opportunity to participate, MMC extended the proposal submission deadline and conducted an additional site walkthrough for interested vendors.

Following the close of the solicitation period, MMC received one proposal in response to the RFP. The proposal was reviewed in accordance with the requirements and evaluation criteria established in the solicitation documents.

Based upon that review, MMC hereby issues this **Notice of Intent to Award** the Roof Replacement Project contract to:

ALLSTATE ROOFING, INC

MMC appreciates the interest shown by all vendors who participated in the procurement process, attended site walkthroughs, or otherwise expressed interest in this project.

This Notice of Intent to Award is subject to the successful negotiation and execution of a written contract between MMC and the apparent successful Proposer. Accordingly, this notice does **not** constitute the formation of a contract between MMC and the apparent successful Proposer.

The apparent successful Proposer shall not acquire any legal or equitable rights relative to the project until a written contract containing terms and conditions acceptable to MMC has been executed by both parties.

MMC reserves the right to cancel this Notice of Intent to Award, reject any or all proposals, or terminate the procurement process at any time prior to execution of a written contract.

Any proposer or interested party who claims to have been aggrieved by this award decision may submit a written appeal to:

Leticia Campos, Chief Executive Officer

Any appeal must be received within **five (5) business days** of the date of this Notice of Intent to Award and must clearly state the basis of the protest or appeal.

Sincerely,
