**RFP#08-2026**

**SECURITY CAMERA REPLACEMENT AND VIDEO SURVEILLANCE SYSTEM UPGRADE**

**NOTICE OF INVITATION**

Notice is hereby given that Marjaree Mason Center ("MMC") is soliciting sealed proposals from qualified, licensed security and surveillance contractors to design, furnish, install, configure, and integrate a multi-site video surveillance system across selected MMC facilities.

Work includes facility evaluations, camera coverage planning, replacement and/or installation of surveillance cameras, installation of recording and network infrastructure, software licensing, system configuration, integration, testing, training, and commissioning of a complete operational surveillance system. The project is intended to improve security coverage, replace aging equipment, eliminate multiple software platforms, and standardize surveillance infrastructure through implementation of a centralized video management solution.

This project includes two (2) confidential residential facilities protected under federal confidentiality requirements. Specific facility locations and project information will only be disclosed to qualified vendors participating in the mandatory site visit process.

A **MANDATORY** pre-proposal site visit will be held on **August 26, 2026, at 12:00PM (PST)** at **Marjaree Mason Center, 1600 M Street, Fresno, CA 93721**. Attendance is required for proposal eligibility. Contractors must pre-register by emailing **rfp@mmcenter.org** with attendee names by **August 24, 2026, at 5:00 PM (PST)**. Unregistered individuals will not be admitted. Confidentiality agreements may be required.

Sealed proposals are due no later than **5:00 PM (PST), September 11, 2026**, and must be delivered to:

Marjaree Mason Center
255 W. Bullard
Fresno, CA 93704

Late proposals will not be accepted.

MMC reserves the right to reject any or all proposals and waive informalities.
