Operation Santa Claus Travels to the Marjaree Mason Center

Fresno County Sheriff Margaret Mims is bringing some early Christmas cheer to children affected by domestic violence. Sheriff Mims and her staff members will distribute dozens of toys to children who are facing difficult personal situations this holiday season.

“Operation Santa Claus” will take place at 1:00 pm on Monday, December 14th at the Marjaree Mason Center at 1600 M St. in downtown Fresno. Sheriff Mims and MMC Executive Director Genelle Taylor Kumpe will be available for interviews.

The Sheriff’s Foundation for Public Safety, Toys for Tots and Fresno Insurance Claims Association are supplying the toys.

In order to protect the identities of the children, we ask that photographers please do not capture any of their faces while the gifts are distributed.
